cdeuel	3/8/2017	8:59 AM	Provided traffic control for hazardous tree removal.
sgeary	3/13/2017	9:59 AM	Incident/Accident Investigation Report: Date: 03/07/17 Location of Incident: Davis Meeker Oak on Old Hwy 99 SE Person Involved: Cory Hale Address: 555 Israel Rd SW, Tumwater, WA 98501 Phone: 360-754-4150 Departmental investigation: Cory was loading limbs into a dump trailer at the Meeker oak on Old Hwy 99 on 3/7/17. He was lifting the limbs over the side of the trailer, injuring his back. Cory worked until noon and then left to rest. He followed up with his chiropractor on Thursday with plans for a follow up visit. No other time loss has been associated to the injury at this time. Level of Severity and Potential Rate of Reoccurrence: Probability or reoccurrence is low due to nature of the work. Recommendations to Prevent Reoccurrence: The limbs being loaded were larger than expected and required lifting up and over the sides of the trailer. Additional staff support and/or mechanical loading equipment would have prevented this injury. Signed: Steve Craig Title: Public Works Operations Manager Phone: 360-754-4150
